

OCEANO MOSCATO

ENJOY THE FRESHNESS OF MOSCATO

VARIETY: Moscato

WINEMAKING: The grapes for this fresh, light-style wine were picked early and pressed gently. A slow, cool fermentation in stainless steel retained fruit aromas and flavors.

IN YOUR GLASS: Straw-yellow in color, it offers fragrant aromas of peach and orange-blossom, with hints of sage and citrus. This wine is softly sweet, with flavors of fresh white peach.

Only 5.5% alcohol
